## CAREER SKILLS

Concept development

Traditional and digital artistic skills

Able to communicate with clients and incorporate their feedback into functional designs

Able to take concepts from thumbnails to finished projects, working independently or within a team

Proven ability to complete tough assignments under tight deadlines

Able to clearly communicate ideas both verbally and in writing

Cutting edge knowledge of design, technology and marketing trends

Experienced with Adobe CS, After Effects, 3D, Flash, Papervision, HTML5, CSS, AJAX and PHP.

## EDUCATION

Columbia College Chicago (2000-2004)  
B.A. Graphic Design & Illustration

## ABOUT ME

I am a creative problem solver, and love spending my time taking apart, cutting, crafting, pasting and gluing just about anything I get my hands on both physically and digitally. I have a wicked sense of humor and a love of toys, games and pretty much anything handmade.
